Open House 2005

June 18, 2005 dawned bright, beautiful and windy, with lots of humidity for those warm weather lovers.

The warm and windy weather didn't keep people away from our annual Open House with 33 people signing up to fly and a good size crowd on hand to sit in the shade of the shelter and watch the flying.

Reid Pfau and Dillion Rosenau have been coming to our annual Open House for 3 years. They thought their flights were "fun and challenging" and by the smiles on their faces, they had a great time!

Thanks to all MAM members who assisted with making our Annual Open House a success. Special thanks to Lanny & Linda Wade for organizing the event .

Earl Schneider conducted the Ground School and Phil Kling and Wally Aannerud put out the signs. Lanny and Dick Winje appeared on the KXMC Noon Show.
