Time to Pay Membership Dues

FROM THE DESK OF MAM PRESIDENT DICK WINJE....

It seems like this past summer went by way too fast. With the clean up of the flying field complete I would like to personally thank all the faithful members who helped make 2006 another successful year for the Minot Aircraft Modelers Club. Beginning with the Winter Party and ending with the International we had great member participation in all our events. Our largest project this year was the completion of the restroom and shower facility along with a new septic system and drain field. This facility is an incredible asset to our flying field and will serve our needs for many years to come.

Your 2007 Statement of Dues is included in this issue of FLIGHTLINES. At our October meeting it was unanimously decided to raise our dues \$5 across the board. To the best of our knowledge we have not had a dues increase for over 12 years and from each of our own personal experience we know prices have increased quite a bit in the last 12 years. We also decided at our October meeting to purchase the big Toro mower from Ron Boen. After a discussion with Ron we agreed on a purchase price of \$4000.

At our November meeting the nominating committee will be presenting a slate of Officers for the up coming year. It has been a privilege for me to serve as your President for the past two years and a big thank you goes out to all who participated in our club activities this past year. You all helped make the President's job easy and enjoyable.

With the shorter days our flying season is coming to a close, but with some nice fall weather we still have some flying time left. Make the most of it... our Winters are long.
GET OUT THERE!

Dick Winje

From the desk of Audrey Benno
Co-editor of FLIGHTLINES...

Don't know about you, but I had a great summer! Got to spend several weekends at the Flying Field, participated in several MAM events and finished making a Christmas stocking for my 4th granddaughter.....next summer I'll work on stocking number 5.

Bill and I will busy this Winter working on our new Shop/House so I think we'll be ready to camp in the Spring. The only building Bill will be doing this Winter will be on the inside of our Shop/House.

If you have ideas for the Newsletter, please give me a call or send an email. I hope you all have a great Winter! Thanks for your support of FLIGHTLINES this summer. Happy building! Keep warm!
