Volunteers needed for The International

MAM is still looking for volunteers to help with this years *The International* fun fly. We are still looking for people to help with:

- Concessions
- Registration
- Transmitter Impound
- Cooking
- Clean Up

This year we find that some of the MAM members that have handled many items that have made this event a great success, are unable to continue to help due to other commitments and family matters. We thank them for their commitment in the past years, their presence at this years event will be missed.

So now the rest of us need to do what we can to make this event a continued success. If you want to help or have any questions please contact:
